Download/Installing the Software

Click on the desired product that you want, and two options will appear to either **INSTALL** or **DOWNLOAD** the software. (Choose the Download option if you want to install it on another computer)

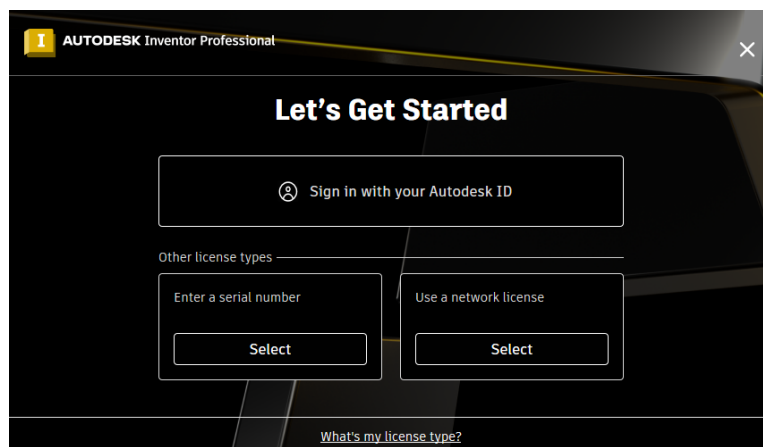

The screenshot shows the Autodesk Education page. At the top, there's a navigation bar with the Autodesk logo and search bar. Below that, a banner reads "Unlock educational access to Autodesk products" with a sub-headline: "Students and educators can get free one-year educational access to Autodesk products and services, renewable as long as you remain eligible. Confirm your eligibility now." There are two buttons: "Get started" and "How it works (3:08 min.)". Below the banner, there's a link: "Not a student or educator? Explore our free trials".

Below the banner, there are filters for "Individual" and "Class/Lab". A "Filter by" dropdown is set to "All products (45)". There are platform icons for Windows, Mac, and Mobile. A "Sort by" dropdown is set to "Featured" and "A-Z".

The product list includes:

- AutoCAD**: Software for 2D and 3D CAD. Includes access to AutoCAD Architecture, Electrical, Mechanical, Map3D, MEP, Plant 3D and AutoCAD Raster Design. Platform: Windows. Button: "Get product".
- AutoCAD for Mac**: Software for 2D and 3D CAD. Platform: Mac. Button: "Get product".
- AutoCAD Web**: Draft, annotate, and add field data to your drawings online via your web browser or mobile device. Access and edit DWG files, and quickly collaborate with AutoCAD users on designs. Platform: Cloud. Button: "Get product".
- Inventor Professional**: Windows, 2023, English. Buttons: "INSTALL" and "DOWNLOAD".

After installation, run your software and **sign in with your Autodesk ID and password**, and your product will be activated.

The screenshot shows the "Let's Get Started" dialog box for Autodesk Inventor Professional. The title bar says "AUTODESK Inventor Professional". The main heading is "Let's Get Started". There are three main options:

- Sign in with your Autodesk ID**: A button with a user icon.
- Other license types**: A section with two sub-options:
 - Enter a serial number**: A button with a "Select" button below it.
 - Use a network license**: A button with a "Select" button below it.

At the bottom, there is a link: "What's my license type?".

IF YOU DO HAVE PROBLEMS WITH THE REGISTRATION OR INSTALLING THE SOFTWARE

Alternatively, you can download the files from a campus computer (eg. FIRGA) and use this link <http://stbfirgaweb01/iso/AutoDesk/2023/> (link only accessible from RGA's or if you have access to the VPN).

Inventor Example: (Download all three files)

The screenshot shows a web browser window with the address bar displaying "Not secure | stbfirgaweb01.stb.sun.ac.za/iso/AutoDesk/2023/Inventor%20Pro/". The browser tabs include "Streaming", "Social", "Admin Tools", "Learning", "Imported", "- Energy Portal -", "Help Center - Servi...", and "FIRGA Jira Dashboard". The main content area displays the title "stbfirgaweb01.stb.sun.ac.za - /iso/AutoDesk/2023/Inventor Pro/" and a link "[To Parent Directory]". Below this, there is a table listing three files:
